CLICS PREMIUM

WHY CLICS FOR MY BRAND?

Clics is edutainment: Clics is educational and entertaining at the same time. Clics blocks are durable and offer great play value besides stimulating the child's creativity and imagination, development of motor skills, logical thinking, spatial understanding, patience and care in creating of models.

It's about your Sales: On average promotions with Clics show incremental sales of 12 to 15 %. Clics offers additional online marketing facilities (building competitions) enforcing your brand's image.

How flexible is the Clics company? Clics' manufacturing plant is based in Belgium near the port of Antwerp. Clics offers short lead times and low MOQ at surprisingly low prices!

Clics can be customized for your Brand! Digital or tampon printing on Clics blocks, customized packaging (carton boxes, buckets, tubes, drums, rollerboxes), customized building plans.

Top Quality: Both in concept and product, you can expect 100% quality in accordance with the strictest regulation in the world.
